

Lot 5 Goyan Road New Moonta QLD

Always wanted that quite secluded lifestyle. Look no further. Here is a block of just over 70 odd acres rising high above the neighbouring properties that give you views of the valleys and mountains. Situated between 15 and 20 minutes from Gin Gin and in of the main road this property offers the ultimate in seclusion for those who want to get away from it all.

The property has power available at the front to be connected as well as a phone line set up approx 200m up the hill. For those who prefer to be on the grid and plenty of opportunity to put in dams for a good water supply. At the moment there is heaps of dry feed on the block so this may be a chance to purchase the block for just \$120,000 neg. and save the hip pocket from the high feed prices.

Price : \$120,000
Land Size : 72 Acres
